

Press Release

KANSAS CITY, MO, February 12-13, 2010, Dr. James F. Meehan and Dr. Bradley E. Schwartz attended the Heart of America Contact Lens and Primary Care Congress. In this, 49th Annual Congress, the Heart has grown to be one of the world's largest contact lens and primary eye care conferences. This complete educational experience covers new and advanced techniques for all types of contact lenses available today, plus the latest information on the medical treatment of eye diseases, several hours featuring the latest in glaucoma management, and new innovations in enhancing patients' vision.

The Congress brings together many internationally respected eye care specialists as well as prominent educators in the fields of contact lenses, eye disease and primary eye care.

Please call Drs. Meehan & Schwartz Family Eye Care to schedule a contact lens evaluation or to order your supply of contact lenses.
