

Press Release

DECORAH, IA, March 1, 2010, Staff members of Drs. Meehan & Schwartz Family Eye Care will be attending the American Optometric Associations Annual Optometry Meeting in Orlando, Florida June 16-20th.

"Discover the Possibilities" is the premier event of the optometric profession. Every summer, thousands of ophthalmic professionals gather to network, learn, be introduced to new products and have fun.

"Discover the Possibilities" will include over 250 hours of continuing education courses. Courses take place Wednesday through Sunday for Optometrists, Paraoptometrics and Students.

The exhibit hall is a must see for all optometric professionals. Packed with the latest technologies from industry leaders, attendees can receive hands-on demonstrations of new products and services.

Drs. Meehan & Schwartz Family Eye Care will remain open June 16-18th.
