

Press Release

ROCHESTER, MN, November 5, 2009, Dr. James F. Meehan and Dr. Bradley E. Schwartz of Decorah, IA attended the Mayo School of Continuing Medical Education. Current Concepts in Primary Eye Care was completed by both doctors on November 5th, 2009 and was presented by Dennis W. Siemsen, MD.

This one-day course is designed as a continuing education course for optometry, with a balanced assessment of clinically relevant advances in eye care. The course featured lectures and interactive discussions with participating optometrists.

Drs. Meehan & Schwartz Family Eye Care currently has 2 consulting Ophthalmologists from Mayo Clinic that visit the Decorah office monthly to perform innovative eye surgeries and evaluations.
